This fundraiser will bring you about 42-50% profit on everything you sell. There will be 4 options available for the fundraiser.

With this card, the customer will get one free dozen for every dozen they buy up to 10 dozen. A dozen donuts sell at the store for \$16.49 a dozen, so this card is a great deal for customers! This is also a great idea to sell to family and friends far away. You can simply mail them the coupon card after you get it and they can use it at any store.

#4- Fundraising Certificate- Krispy Kreme will sell this to us for \$9 and you can resell them for \$17. This is for customers who would like to get one original glazed dozen at a later date on their own. They will receive a certificate to pick it up at any Krispy Kreme store at their convenience. This is also a great one to sell to friends and family and mail it to them.
